

The Table Truck for Banquet Tables

1

Install the wheels. There is a short and long bolt. Install the short bolts on the inner side of the cart. Insert the bolt from the top, down towards the wheel. Put the washer on, then the nut. Tighten with allen key and wrench.

2

Repeat step 1 with long bolt on outer side of cart.

Repeat steps 1&2 for the other 3 wheels

3

Flip the Table Truck over

4

Install the handle

5

Repeat step 4 to the other side

6

Your Table Truck is Assembled!
