

The Elite Pedestal/Cocktail Table with a Resin Table Top

1

Use a screw driver to push out 3 plastic plugs.

2

Line up the holes in the metal mounting coupler to the holes in the plastic table top.

3

Insert steel plug and thread the bolt through the coupler and table top into the plug. Repeat for all 3 metal plugs.

4

Screw in 3 bolts into remaining three holes.

5

Tighten all six bolts with a wrench.

6

Slide post into base.

7

Put the table top on by sliding the coupler onto the post.

Your Elite Pedestal/Cocktail Table is Assembled!
