

The Revolution Chair Seat Pad

1 Using two hands and release the two clips on one side of the seat pad.

2 Repeat step 1 for the other side of the seat pad.

3 Gently slide out the seat pad.

4 Gently slide the new seat pad into place and secure by putting clips into the locked position.

5 Clip other side into locked position by pushing down from top of seat pad until you here it snap into place

6 Your Revolution Seat Pad is Replaced!
