

The Table Truck for Round Banquet Tables

1

Install the wheels. **2**
There is a short and long bolt. Install the short bolts on the inner side of the cart. Insert the bolt from the top, down towards the wheel. Put flat washer on then nut. Tighten with allen key and wrench.

Repeat step 1 with long bolt on outer side of cart.

Repeat steps 1&2 for the other 3 wheels

3

Turn assembly over

4

Install the handle

5

Repeat step 4 to the other side

6

Your Round Table Truck is Assembled!
